Country Estate in Alaior

Price: 3.573.000,00 €

Built Area: 1.200 m²

Plot Size: 50.000 m²

Large country estate with an early 20th century manor house and numerous rural outbuildings, in a peaceful and private setting, very representative of the Menorcan style of architecture. In the house we find all kinds of ethnological elements such as a bread oven, wood-fired cooking range, and outside; stables, warehouses, a threshing circle, water tanks, etc., which make the architectural ensemble ideal for renovation and enjoy the country lifestyle of the island. The property also has water and electricity.
