Magnificent Menorcan country estate with buildings totalling more than 500 m², the main house, in a typical Menorcan style, with lots of original character and a good size to accommodate a family, and located in a very quiet area where we can hear only the birds singing. The property consists of 7,5 hectares (75.000m²), very well distributed with alternating cultivation areas, recreational areas, and forest, all of them with lots of charm. In addition to the main house, there is also a large barn and several agricultural buildings, one of them located at the end of the property in an area of great natural beauty where we find an old waterwheel. Undoubtedly an ideal property to live all year round in Menorca or to spend unforgettable summers filled with peace and tranquillity. The property has its own well water and mains electricity.
