Country house located on a charming 50,000 m² plot near the south coast of Ciutadella. With approximately 200 m² of buildings, including a main house with a large covered porch and 3 bedrooms, in addition to a garage, 1 cistern, and 2 agricultural buildings. The property offers us an oasis of tranquility and privacy in a beautiful setting surrounded by farmland and native forest. It is supplied with its own well water and has connection to the electricity grid. It is an ideal estate to enjoy the countryside without giving up the proximity to the coast and the town. An incomparable opportunity for those seeking a life in harmony with nature and total independence.
