Price: 950.000,00 €

Built Area: 186 m²

Plot Size: -

Bedrooms: 3

Bathrooms: 2

Singular penthouse with unparalleled panoramic views of the entrance of the port of Mahon, the picturesque port of Calas Fonts and the town of Es Castell. The penthouse built in the 70s is well preserved with some of its spaces renovated over time. The property would benefit from a modernization of its interior. A totally exclusive elevator for the property leads directly into the spacious hall of the house. The bright and spacious living room enjoys the best views over the entrance of the port of Mahón and bathes in the first sun of Spain at dawn. A large terrace surrounds the entire property and can be accessed from all areas of the house. A very spacious kitchen with its dining area connects with the living room. There are a total of 3 bedrooms and 2 bathrooms, of which one is a suite with a large window, dressing area and an office that could be converted into another bedroom. From the inside of the house there is a direct access to the upper terrace of the building. Optional parking space.
