Great business opportunity in Menorca, for investors or people already in the restaurant-trade. This restaurant has been recently renovated with a lot of style, respecting the original structure and with a very Mediterranean concept. There is a large terrace outside, with a limestone floor, and attractive garden area. There is a total of about 500 m2 built area on a plot of about 1300 m2. The place has 2 differentiated entrances, and is located about 500 meters from the beautiful cove of Cala'n Forcat.
