

Country estate close to the virgin beach of Cala Pilar

Ref: 4934

Country Estate in Ciutadella

Upon Request

Built Area: 1.600 m²

Plot Size: 717.404 m²

Privacy, scenic beauty and the values of Menorcan rural life reach their highest splendour in this extraordinary country estate of 71 hectares of land near the virgin beach of Cala Pilar. It has a house dating from 1700 that retains its character intact and there are numerous agricultural buildings that total approximately 1.600m² built area. There are countless authentic ethnological elements of the period found in the property, such as threshing circles and adornments of all kinds. The house is situated on a promontory from where you can enjoy a clear view of the countryside surrounding the property. It has electricity and is supplied with water from a stream and water tanks.
