Villa with a modern and elegant design where we find wide open spaces to the large terrace and swimming pool, with high-quality finishings and located in magnificent surroundings only a few steps away from the sea. The careful design of the property offers a comfortable home with 4 double bedrooms, plus 4 bathrooms, a garage with capacity for up to 2 vehicles, a large day area with living room and kitchen sharing an open space full of natural light, leading out to the glazed inner courtyard with staircase leading to a large roof terrace with sea views. The exterior will not disappoint you either for its design and comfort, with a barbecue area, huge terraces and a swimming pool with views. Other highlights of this great property are the air conditioning equipment with centralised air source heat pump system throughout the house and solar panels for generating electricity.
