Bathrooms: 2

Beautifully renovated fisherman's house in front of the sea in the exclusive Cala Biniancolla, one of the most picturesque and beautiful coves on the south coast of Sant Lluís. This beautiful house has 200 m² with panoramic sea views offering an oasis of tranquillity. Another highlight is its large windows that allow natural light to flood all the rooms, as well as to delight us with views of the exterior. The property has an elegant and modern design that combines comfort and convenience. Its large terrace presides over the view of the cove and the various swimming areas that surround it. It really is the perfect property for those who are looking for a quiet refuge in front of the sea and the picturesque landscape of Biniancolla with its boats and the typical Menorcan 'llauts'.
